Themes & Target Groups involved

5 interconnected thematic areas:

1. School governance
2. Learner support
3. Teachers
4. Parents and families
5. Stakeholder involvement

The screenshot shows the 'School Education Gateway' website. The header includes the title and 'European Toolkit for Schools'. A navigation bar has links for Home, About, School Governance, Teachers, Support to Learners, Parental Involvement, and Stakeholders Involvement. Below the navigation bar, there's a breadcrumb trail: 'Home > Resources > European Toolkit for Schools'. The main content area features the title 'European Toolkit for Schools Promoting inclusive education and tackling early school leaving' and a list of three bullet points: 'Are you interested in finding more effective ways to support your pupils?', 'Do you want to improve attendance or reduce drop-out?', and 'Are you looking for ways to improve the involvement of parents in your school?'. To the right, there's an orange 'Questionnaire' button and a diagram titled 'A WHOLE SCHOOL APPROACH'.
