Lesson learnt

Schools,
programs
and teachers

has to be different

to meet the needs of
disadvantaged,
discontented and
disappeared youngsters

We in E2C try to make a **difference**

We try to learn from each other

Our members cooperate in a lot of bi-national or multi-national projects

We offer our members learning opportunities:
yearly “youth event” for students and teachers
teacher meetings and teacher trainings

We establish a European Centre of Excellence
